You Made the Investment. Now Demand the Quality Parts.

GUNITE BRAKES

Gunite's brake drums are made in the USA and fully produced in-house without contract manufacturing. As a leader in wheelend engineering and manufacturing, Gunite drums excel in the demanding requirements of the heavy-duty trucking aftermarket with a price lower than OE drums. As Gunite brake drums are approved by all North American truck and trailer OEMs, you can depend on Gunite quality for safety and reliability.

WHILE SUPPLIES LAST!
